

Cole Pickering

USER
MEDIA COMPOSER®

Professional Summary

Highly motivated film graduate who is passionate about blending art and technology to bring a unique perspective to projects. Fluent in all major editing software, allowing me to deliver excellence in a timely manner. Directing experience has provided me the ability to effectively lead and communicate with my peers. Maintaining a positive attitude is key to producing exceptional work, which is why I believe it is the best quality anyone can bring to a team.

EXPERIENCE

March 2024

Office PA – HBO *Peacemaker* Season 2

Responsibilities included assembling production office furniture and preparing office spaces for each department. Displayed discretion and worked efficiently as to not interfere with the workflow of department heads. Closely worked with the Production Secretary to ensure the needs of the office were met.

April 2024

Office PA – Paramount *Tulsa King* Season 2

Managed parking; verifying and directing all cast and crew to their appropriate lots. Made certain that crafty for the office/executives was stocked, while being attentive to specific requests. Expedited all package deliveries to corresponding departments. Assisted with the assembly and distribution of sides and call sheets.

STUDENT PROJECTS

2021

A Thief of Spirits • Director and Editor

Managed a large cast and extensive story. Produced exceptional results in a confined time frame. The film won “Best Narrative Film” at Walker Film Festival.

2022

Murder in Bb Minor Season 3 Episode 6 • Co-Producer

Co-Produced an episode of this student-led series which included pitching the story, managing the budget, scouting locations, organizing call sheets, and creating talent release forms.

2022

Oneiroi • Writer, Director, and Editor

Crafted a challenging story with no dialogue or music which required precise editing and direction. The attention to detail yielded accomplished results.
